

Page 1:

What is a CTF?

CTF (Capture the Flag) is a gamified way of learning cybersecurity by solving challenges that test hacking skills.

Page 2:

Common CTF Categories

- Web Exploitation
- Reverse Engineering
- Binary Exploits
- Cryptography
- Forensics

Page 3:

Practice Platforms

- TryHackMe
- Hack The Box
- PicoCTF
- OverTheWire

Start with beginner challenges!
